Material Handling Limits of Liability

Viper Tradeshow Services and its subcontractors shall not be responsible for damage to uncrated materials, materials improperly packed, glass breakage or concealed damage.

Labor is scheduled and based on the Material Handling Order Form included in this kit to accommodate the movement of freight expeditiously to your booth and out and is non-refundable if freight is not received for any reason.

Relative to inbound shipments, there may be a lapse of time between the delivery of shipment(s) to the booth by **Viper Tradeshow Services** or its subcontractors and the arrival of the Exhibitor's representative at the booth. Similarly, relative to outgoing shipment(s), it is possible that there will be a lapse of time between the completion of packing and the actual pick-up of materials from the booth for loading onto a carrier. With the knowledge that during such times the shipment(s) will be left in the booth unattended, it is recommended that a representative from the exhibiting company stay with the shipment until it is picked up.

Therefore, it is agreed that **Viper Tradeshow Services** and its subcontractors are not responsible for the loss or disappearance of Exhibitor's materials after the same have been delivered to Exhibitor's booth, nor are **Viper Tradeshow Services** and its contractors responsible for Exhibitor's materials before they are picked up from the Exhibitor's booth for loading after the show. Consequently, all bills of lading covering outgoing shipment(s) submitted to **Viper Tradeshow Services** or its subcontractors by Exhibitor will be checked at the time of pick-up from the booth and corrected where discrepancies exist.

Viper Tradeshow Services and its subcontractors shall not be responsible for loss, delay or damage due to strikes, lockouts, or work stoppages of any kind.

Viper Tradeshow Services and its subcontractors shall not be liable to any extent whatsoever for any actual, potential or assumed loss of profits or revenues or for any collateral costs that may result from any loss or damage to Exhibitor's materials, which may make it impossible or impractical to exhibit same.

Viper Tradeshow Services and its subcontractors shall not be held liable for any damage incurred during the handling of equipment requiring special devices to properly load, place or reload unless advance notice has been given to **Viper Tradeshow Services** in time to obtain the proper equipment.

It is understood that **Viper Tradeshow Services** and its subcontractors are not insurers. Insurance, if any, shall be obtained by the Exhibitor. Amounts payable by **Viper Tradeshow Services** hereunder are based on the scope of the liability as herein set for and are unrelated to the value of the Exhibitor's property. It is further understood and agreed that **Viper Tradeshow Services** and its subcontractors do not provide for full liability should loss or damage occur.

It is agreed that if **Viper Tradeshow Services** or its subcontractors should be found liable for loss or damage to Exhibitor's equipment, the liability shall be limited to the specific article that was physically lost or damaged. Such liability shall be limited to a sum equal to \$.30 per pound per article, with a maximum liability of \$50.00 per item or \$1,000.00 per shipment, whichever is less, as agreed upon damages and exclusive remedy. Provisions of this paragraph shall apply if loss or damage, regardless of cause or origin, results directly or indirectly to property through performance or non-performance of obligations imposed by the offering of services to Exhibitors or from negligence, active or otherwise, by **Viper Tradeshow Services**, its subcontractors or their employees.

Viper Tradeshow Services and its subcontractors shall not be responsible for ordinary wear and tear in handling of equipment, nor for loss or damage due to fire, theft, windstorm, water, vandalism, acts of God, mysterious disappearance or other causes beyond their control.

Claims for loss or damage must be submitted to **Viper Tradeshow Services** by the close of the show. No suit or action shall be brought against **Viper Tradeshow Services** or its subcontractors more than one year after the cause of action.

The Exhibitor agrees, in connection with the receipt, handling, temporary storage and reloading of its materials, that **Viper Tradeshow Services** and its subcontractors will provide these services as Exhibitor's agent and not as bailee or shipper. If any employee of **Viper Tradeshow Services** or its subcontractors shall sign a delivery receipt, bill of lading or other document, we agree that **Viper Tradeshow Services** or its subcontractor will do so as the Exhibitor's agent, and the Exhibitor accepts the responsibility thereof.

The Exhibitor agrees, in the event of a dispute with **Viper Tradeshow Services** or its subcontractors relative to any loss or damage to any of our materials or equipment, that the Exhibitor will not withhold payment in any amount due to **Viper Tradeshow Services** for material handling services or any other services provided by **Viper Tradeshow Services** or its subcontractors as an offset against the amount of the alleged loss or damage. Instead, the Exhibitor agrees to pay **Viper Tradeshow Services** prior to the close of the show for all such charges and further agrees that any claim the Exhibitor may have against **Viper Tradeshow Services** or its subcontractors shall be pursued independently by the Exhibitor as a completely separate transaction to be resolved on its own merits.

In order to expedite removal of materials from the show site, **Viper Tradeshow Services** shall have the authority to change designated carriers, if such carriers do not pick up on time. Where the Exhibitor makes no disposition, materials will be taken to a warehouse to await Exhibitor's shipping instructions, and the Exhibitor agrees to be responsible for payment of charges relating to such handling at the warehouse. **Viper Tradeshow Services** assumes no liability as a result of such re-routing or handling.

Viper Tradeshow Services and its subcontractors shall not be liable for shipments received without receipts; freight bills or specified unit counts on receipts or freight bills, such as UPS or van lines. Such shipments will be delivered to booth without guarantee of piece count or condition.

The consignment or delivery of a shipment to **Viper Tradeshow Services** or its subcontractors by an Exhibitor or by any shipper on behalf of the Exhibitor shall be construed as an acceptance by such Exhibitor (and/or other shipper) of the terms and conditions set forth in Sections 1 through 13 above. **Viper Tradeshow Services** and its subcontractors are not insurers of you or your property and will not assume responsibility for loss, injury or damage where the direct cause of the loss, injury or damage is unknown or indeterminable. Be sure your materials are insured!

1. Electricity will be live within 30 minutes of the show opening and turned off within 30 minutes of the show close each day. If power is needed earlier or later each day, advanced arrangements must be made prior to the show opening.
2. Twenty-four (24) hour service to any outlet will be double the listed price and can only be guaranteed before show opening with advance arrangements for date needed.
3. The services include one outlet. Any exhibitor requiring more than one outlet will need to order multi strips or provide their own.
4. All electrical outlets will be installed on the floor at the back wall of in line booths and peninsula spaces. It is the exhibitor's responsibility to provide access for electrical outlets and electrical panels which may need to be serviced during the operation of the show. Outlets which are overloaded by the exhibitor will be reset one time as a courtesy. Prior to the resetting of the electrical circuit, the exhibitor will have this opportunity to purchase additional power or agree to operate within the limits of their original power order. If the circuit needs to be reset a second time, a 1 hour labor charge will be incurred at the appropriate rate (as listed on page 1) and the exhibitor will be required to purchase the appropriate power at the standard rate.
5. It is the exhibiting companies responsibility to order the appropriate amount of power, or to take the electricians advice while on show site. Viper Tradeshow Services is not responsible for any electrical damage caused to machinery or equipment.
6. To prevent overloading of circuits, exhibitors cannot add wattage except as ordered. Column ad or wall outlets are not part of the exhibitor booth space and these outlets will be charged for accordingly.
7. Any exhibitor using power not contracted for will be charged a show rate for the service they are not authorized to use. This includes using any wall outlets.
8. All Service of 208 / 480 volts requires electrical labor for installation, hook-up, and disconnect. Hourly charge will cover all work performed.
9. All exhibitor ordered Standby Labor will be invoiced at the prevailing hourly rate.
10. Labor will be charged for the following categories:
 - a. All distribution of electrical wiring under carpet or flooring.
 - b. All distribution of overhead electrical wiring.
 - c. All motor and equipment hookups.
 - d. Installation or repair of electrical fixtures.
 - e. Installation of electrical motors and apparatus to be energized.
 - f. Motorized hoists, truss and lighting installation.
 - g. Installation and removal of all overhead electrical signs, trusses, motors or apparatus.
11. All extension cords that run under carpet or flooring must be supplied and installed by Viper Tradeshow Services.
12. All wiring utilized for booth work must have a 3 wire grounded cord with a minimum of #14 Gauge wire. If these requirements are not met Viper reserves the right to disconnect the cord and rent the exhibitor the proper equipment as listed on page one.
13. The use of Clip on sign sockets, latex or lamp cord wire in displays or the use of 2 wire fixtures is prohibited.
14. Permit fees may apply.

For Show Management Purposes:

As part of any electrical service ordered, Viper Tradeshow Services will supply an onsite electrician for the first two hours of the first day your event is open. After that it is up to your discretion whether or not to employ an onsite electrician at your expense (cost outlined on page 1). The Stand-by Electrician is there for the safety and convenience of your, your exhibitors and the attendees. If you elect to waive this service and an issue does arise that dictates that an electrician is needed, the electrician will be summoned to the center, with the cost for that labor being charged to the show management invoice at the published labor rate. A 4 hour minimum will be applied to this labor call. If you have any questions regarding the Stand-by electrician and the waiver, please contact Viper Tradeshow Services.

Neither Viper Tradeshow Services nor the Renaissance Schaumburg Convention Center are responsible for voltage fluctuations or power failure due to temporary conditions or loose connections. For your protection you should install surge protection or over/under voltage protection on your equipment.

Viper Tradeshow Services, acting on behalf of all exhibitors and in the best interest of the exposition, has appointed Official Service Contractors to perform and provide necessary services and equipment.

Official Services Contracted are appointed to: insure the orderly and efficient installation and removal of the overall exposition, assure the distribution of labor to all exhibitors according to need, provide sufficient labor to satisfy the requirements of the exhibitors, and for the exposition itself, see that proper type and limits of insurance are in force, and avoid any conflict with local union and/or exhibit hall regulations and requirements.

The Official Service Contractors will provide all usual trade show services, including labor. Exceptions are: the exhibitor may provide supervision, exhibitor may appoint an exhibit installation contractor or display builder.

Exhibitors may employ the service of independent contractors to install and dismantle their display providing the exhibitor and the installation and dismantling contractor comply with the following requirements:

1. Exhibitor must notify in writing to **Viper Tradeshow Services** the intention to utilize an independent contractor (EAC) no later than 14 days prior to the first move-in day, furnishing the name, address and telephone number of the firm.
2. 5. The EAC will provide **Viper Tradeshow Services** the number of on-site employees at the time of check-in and see that they have, and wear at all times necessary, identification badges as determined by Show Management.
6. The EAC shall be prepared to show evidence that it has valid authorization from the exhibitor for services. The EAC may not solicit business on the exhibit floor.
7. The EAC must confine its operations to the exhibit area of its clients. No service desk, storage areas or other work facilities will be located anywhere in the building. The show aisles and public spaces are not a part of the exhibitor's booth space.

Dismantle Instructions

Exhibitors will receive additional instructions before the start of the last day of show hours and we highly recommend reading these instructions carefully in order to help you plan in advance and know what to expect and how to proceed for a smooth and quick tear down.

Please share this information with your show site staff in advance of the show as well.
All accounts must be settled before the end of the show.
The exhibits officially close at 6:00 PM on June 17, 2012.
Exhibitors with unpaid accounts at the end of the show will not be provided with a Bill of Lading/Material Handling form until they have gone to the Service Desk and paid their balance in full.
Delivery of empty crates for the dismantling of exhibits will occur after the removal of the aisle carpet (if applicable) at the end of the show. Please keep the aisles clear of debris to help expedite this process.
All outbound shipments, loading onto Privately Owned Vehicles, or local courier/agent require a Viper Tradeshow Services Bill of Lading(BOL) /Material Handling Form (MHA)
Shipping is NOT an automatic process. If you plan on using an alternate carrier other than Viper Transportation you are responsible for making arrangements with that carrier for your pick up, and confirm they make the pick up before the force. Force is at 8:00 PM.
ONLY return your BOL/MHA to the Service Center when your materials are packed, labeled, ready to be shipped and you are ready to leave the floor. Do not leave your BOL/MHA in the booth, it needs to be signed off and you will be given a receipt. This is how we know you are ready to be loaded on the truck.
In the event that your designated carrier fails to pick up or refuses to accept shipments, Viper Tradeshow Services reserves the right to reconsign such shipments where no disposition is provided. No liability will be assumed by Viper Tradeshow Services as a result of such rerouting or handling.
To assist you in setting up your outgoing shipments Viper Tradeshow Service representatives will be on site for your shipping convenience. If you have not pre-booked your outbound shipping before the show with Viper Transportation , you welcome to do so with our representative on site at the Service Center. Shipping via Viper Transportation is done at class 125 (exhibition tariff) common carrier rates, which is standard for shipping trade show material.
Carriers that do not check in by June 17, 2012 at 8:00 PM , freight for those exhibitors consigned to that carrier will be forced to the house carrier, Viper Transportation. For liability reasons, and ensuring exhibitors freight is loaded properly, freight is ONLY tendered to carriers able to request your shipment by your booth number (if applicable) and exhibiting name. Please be sure to instruct your carrier to do so.
Should you have any questions or concerns regarding the above information, please call Amy Carestia at 847-426-3100. Advance planning is always the easiest for everyone at show site and we're happy to help.
<i>Thank you for reading and following the guidelines in this service manual. We look forward to working with you on this event!</i>
